# Read, Think & Explain

**Look at the picture. Play the story. Tell us what you think.**

**Ages 6 to 9 · 14 illustrated stories · About 10 to 15 minutes together**

Explore a picture, try a puzzle or pretend-play activity, and explain your idea. Play from the screen or print a few favourite pages.

**Try the sample stories**

# The Missing Lunchbox

Adi left his lunchbox on the shelf before class. At lunch, it was gone. He looked under his bag and behind two books. He held his bag tightly. “What if I miss lunch?” he said. His teacher was at the door, and his friend was beside him. Adi stopped to think.

## Tell it three ways

Look, listen, or read. Then tell, point, and choose.

1. **What happened first, next and last?**
2. **How might Adi feel? What detail gives you a clue?**
3. **What could Adi do next? Why would that help?**

**Sketch your idea here, or tell it aloud**

# Something to Share

Dad gave Neel 30 rupees for a snack to share with his sister. At the fruit stall, a mango cup cost 25 rupees. Two bananas cost 20 rupees. His sister liked both. They wanted to eat while waiting for a rickshaw, and they had no spoons.

## Run the fruit stall

You have 30 rupees to spend. Point to each snack you can afford. Then buy one to share.

○ 

**Mango cup · 25 rupees**

○ 

**Two bananas · 20 rupees**

**How would you share it with no spoons? How much money is left?**
